- 5.1.2 A “group grievance” is a claim by two (2) or more teachers that there has been a violation, misinterpretation, or misapplication of this Agreement.
- 5.1.3 The “grievant” is any person or persons making the claim.
- 5.1.4 A “duty day” is a day when teachers are on duty.

5.2 Purpose

- 5.2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise affecting the welfare or working conditions of teachers. Both parties agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure.
- 5.2.2 Nothing contained herein will be construed as limiting the right of any teachers having a grievance to discuss the matter informally with any appropriate member of the administration, prior to the formal filing of the grievance, and to have the grievance adjusted without intervention by the Association, provided that the adjustment is not inconsistent with the terms of this Agreement. Once a formal grievance has been filed, the President of the Association shall be informed in writing within two (2) days by the Administration that (a) a grievance has been filed, and (b) the name of the grievant.

5.3 Time Limits

- 5.3.1 Time limits provided for at each level shall begin the day following receipt of the grievance, grievance appeal or written decision.
- 5.3.2 The time limits may be extended by mutual agreement, in writing.
- 5.3.3 In the event a grievance is filed at such time that it cannot be processed through all steps in this grievance procedure by the end of the school year, the time limits set forth herein, except at Level One, will be extended if the grievant requests.

5.4 Procedure

- 5.4.1 Informal Meeting: An aggrieved person will first discuss the grievance with the appropriate principal or immediate superior, either directly or through the Association's designated Grievance Representative, with the objective of resolving the matter informally. Said discussion must occur within thirty days of the act or omission giving rise to the grievance. The aggrieved person shall be entitled to have an Association representative accompany him/her during said discussion.
- 5.4.2 Level One: Within ten (10) days after the denial of the grievance at the informal meeting, the aggrieved person may present the grievance in writing on the appropriate form (Grievance Form, **Appendix "D"**) to the aggrieved person's immediate supervisor in order to continue the grievance procedure. There shall be a clear, concise statement of the grievance including the specific provision of the Agreement claimed to have been violated, the circumstances constituting such alleged violation, the decision rendered at the informal meeting, and the specific remedies sought. The immediate supervisor shall communicate his/her decision to the aggrieved person in writing within five (5) days after receiving the formal grievance. If the immediate supervisor does not respond within the time limits, the aggrieved person may appeal to the next level. Within the above time limits, either party may request a personal conference, or by mutual agreement a conference may occur. Should a conference occur, the aggrieved person shall be entitled to have an Association representative accompany him/her and advise him/her during said conference.
- 5.4.3 Level Two: If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no written decision has been rendered within ten (10) days after he/she has first filed the grievance at Level One, he/she may within ten (10) days appeal the decision on the appropriate form to the Superintendent or his/her designee. This statement shall include a copy of the original grievance and appeal, the decisions rendered, and a clear, concise statement of the reasons for the appeal. The superintendent or his/her designee shall meet with the aggrieved party and/or designated Association representative within five (5) days of receipt of the grievance appeal and shall provide a written disposition of the grievance, including the reasons therefore, to all parties of interest within five (5) days of such meeting. The Superintendent or his/her designee shall communicate his/her decision to the aggrieved person within (10) days of the filing at Level Two. If the Superintendent or his/her designee does not respond within the time limits provided, the aggrieved person may appeal to the next level.
- 5.4.4 Level Three: If the aggrieved party is not satisfied with the disposition of the grievance or if no disposition has occurred within five (5) days of such meeting or ten (10) days from the date of the receipt of the grievance at Level Two, the aggrieved party may request the Association to submit the grievance to arbitration.

5.4.4.1 If the Association proceeds to arbitration, it shall notify the District (of such decision) in writing. Within ten (10) days of such notification, representatives of the District and the Association shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator within the specified period, the Association shall file a Demand to Arbitrate to the California Conciliation Service. The selection of the arbitrator and the arbitration proceedings shall be conducted under the Voluntary Labor Arbitration Rules of the American Arbitration Association.

5.4.4.2 The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning and conclusions of the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this Agreement. Nor shall the arbitrator have power to add to or to subtract from the terms of this agreement. However, it is agreed that the arbitrator is empowered to include in any award such financial reimbursement or any other remedies as he/she judges to be proper under the circumstances. The decision of the arbitrator will be submitted to the Association and the Superintendent, and will be final and binding upon the parties. If any questions arise as to the arbitrability of the grievance, such question shall be ruled upon by the arbitrator, after hearing the merits of the case.

5.4.4.3 All initial costs for the services of the arbitrator, including but not limited to per diem expenses and the cost of any hearing room, will be borne equally by the District and the Association. All other costs, except for released time for the grievant(s), Association representative(s), and witness(es), will be borne by the party incurring them.

5.5 Rights of Representatives

5.5.1 A unit member alleging a grievance may be represented at all stages of the grievance procedure by an Association-designated representative.

5.6 Miscellaneous Provisions

5.6.1 The Association, either on its own behalf on matters affecting its rights, or on behalf of two or more teachers similarly affected by an alleged grievance, may initiate a grievance at Level One with the informal meeting timelines.

5.6.2 In the absence of administrators required to render decisions as outlined in the procedures, the Superintendent shall appoint a substitute.

- 5.6.3 If a grievance arises from action or inaction on the part of a member of the administration at a level above the principal or immediate supervisor, the aggrieved party shall submit such grievance in writing directly to the Superintendent and the Association with the processing of such grievances to commence at Level One within the informal meeting time limits.
- 5.6.4 When it is necessary for a representative designated by the Association to investigate a grievance or attend a grievance meeting or hearing which cannot be accomplished after the working day, he/she will, upon notice to the principal or immediate supervisor by the President of the Association, be released without loss of pay in order to permit participation in the foregoing activities. Any unit member who is requested to appear in such investigations, meetings, or hearings as a witness will be accorded the same right.
- 5.6.5 All documents, communications and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.
- 5.6.6 Upon mutual agreement of the Association and the Superintendent, a grievance may be taken directly to arbitration.
- 5.6.7 A unit member may, at any time, present grievances to the employer and have such grievances adjusted, without the intervention of the Association, as long as the adjustment is not inconsistent with the terms of the written Agreement. If an employee presents a grievance on his/her own behalf, the Association shall have the right to be present and state its views at all grievance meetings. The District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.
- 5.7 Expedited Arbitration shall be available to the parties by mutual agreement pursuant to the Expedited Rules of the American Arbitration Association.

The District will also provide group term life insurance policy coverage of \$25,000 per unit member (premium paid by the District).

The Gustine Unified School District and the Gustine-Romero Teachers Association agree that effective in the 2017-2018 school year, the District's hired consultant American Fidelity may present "Standard" and other product/programs to unit members, but will not market other product/programs to unit members already participating in "Standard" products/programs unless the unit members specifically requests such information. This limitation shall not apply to new unit members already participating in other American Fidelity products/programs.

The Parties agree this Side Letter is not precedent setting.

22.2 Health Insurance – District Premium Contribution

During the term of this Agreement, the District shall contribute up to a maximum of \$13,400 effective October 1, 2021 per plan year for each unit member toward the cost of health insurance coverage. The coverage will be, and is considered to have been, pro-rated for employees who are hired after the start of the plan year and/or separate from employment prior to the plan end. In the event the actual cost of health insurance premiums exceeds the District's contribution, the difference shall be deducted from each employee's monthly salary. In the event the actual cost of health insurance premiums is less than the District's contribution, the difference shall be paid to each employee in equal monthly installments. However, employees hired after January 31, 2014 shall not receive payment for any unused amounts.

22.2.1 The District contracts with a third party administrator to provide medical including prescription/dental/vision plans for the certificated personnel. Both parties agree to comply with the parameters of the third party administrator. GRTA leadership selects specific plans to be offered to their members. Members choose plans annually according to District established timelines.

22.2.2 The District and GRTA agree to meet and confer regarding the upcoming regulations of the Affordable Health Care Act.

22.3 Health Insurance for Early Retirees

- 22.3.1 Unit members who have worked for the District a minimum of fifteen (15) years of full time service shall be eligible for payment by the District of their District medical insurance and prescription policy upon retirement, provided they retire no earlier than age 58.5 years. Payment by the District of their medical insurance and prescription policy shall be provided until the age of sixty-five (65) years, or until the employee qualifies for Medicare. Employee must choose one of the GRTA offered options. If a plan is chosen over the District cap, the retired employee will pay the difference for medical and prescription benefits. Dental and Vision premiums are not covered for early retirees. Dental and Vision coverage may be purchased through the District. Clarification of the retirement benefits. The District has been paying benefits for each vested retiree, up to \$13,400 less the dental and vision premium (amounts vary based on level of coverage, i.e. single, family, etc.) A vested retiree receives credit towards only the Medical Premium and up to the same amount that an active member receives. All other provisions are status quo (based on H/W cap for 2014-2015.)
- 22.3.2 Said coverage will be provided for the retiring employee and eligible family members under the age of sixty-five (65) years, or until the employee qualifies for Medicare.
- 22.3.3 Application shall be made to the District Office at least thirty (30) days prior to retirement.

ARTICLE XXIII

EXTRA DUTIES

- 23.1 The Extra Duties Pay Schedule shall remain in effect except as modified herein. (See **Appendix "B"**: Extra Duty Pay Schedule.)
- 23.1.1 A Job Description will be developed for each position and will become an appendix to this Agreement.
- 23.1.2 Appointments to these positions are renewed yearly upon a recommendation of the Principal to the Board of Trustees.
- 23.1.3 Walk-on Coaches are not covered by this salary schedule. Their pay rate will be established by the Superintendent and Board.
- 23.1.4 Experience credit is granted by sport, i.e., a football coach who agrees to coach another sport starts on Step 1 of the new sport. Newly hired coaches will be given credit for previous coaching experience in the same sport at the same level.
- 23.1.5 Movement on the schedule is based on continuous service. If a coach quits for a year or more and decides to return, he/she does not automatically return to the step on which he/she was placed before leaving, unless granted a leave by the Board.
- 23.1.6 Unless granted a leave by the Board, a returning coach will be given a maximum of three (3) years' credit on this salary schedule and will progress from there on an annual step basis until the bottom step is reached.
- 23.1.7 Teachers hired after September 1988 who coach at the Middle School and later transfer to the High School will be given one (1) year of credit for each two (2) years of service at the Middle School in the same sport.
- 23.1.8 For determining salary placement, the District will place employees of Adjunct Duty Assignments (**Appendix "C"**) commensurate with total earned experience, not to exceed the 14th step on the Extra Duty Schedule (Post 1988-89 Middle School experience converts to .5 per year earned when placed in a High School assignment).

23.2 Additional voluntary and compensated extra duties are:

23.2.1 Adult Education, Driver Training \$25/hour; Home Teaching/Hospital Teaching \$30/hour

23.2.2 In the event of unit member absences, effort shall be made to hire a regular substitute teacher; however, in those cases where regular substitutes are not available, regular unit members who volunteer may be used as substitute teachers. Teachers should be approached to volunteer on the basis of site teachers' District seniority, most senior first. If there are no volunteers, site administration shall assign substitute duties on an equitable basis.

23.2.2.1 For grades 6-12 (departmentalized classes), any unit member assigned to substitute during his/her preparation period shall be compensated at a rate of \$20 per substitute period, in addition to their regular salary.

23.2.2.2 For grades K-6 (self-contained classes) including Transitional Kindergarten, in the event that a substitute is required but no regular substitutes are available, teachers can be assigned to cover students from another class, in addition to their own class. The teacher(s) assigned those extra students shall receive compensation equal to the daily rate of pay the district would have paid a substitute teacher divided by the proportional number of assigned students, in addition to their regular pay. In situations where teacher(s) are assigned extra students for a fractional part of a day, the amount of pay to be divided up amongst the receiving teachers shall not be less than one-half of the applicable substitute rate of pay. As an example, if 24 students from a class were equally distributed to three (3) teachers for the day, and the substitute rate of pay was \$110, then each teacher would receive \$36.67 for the day

23.2.2.3 On a trial basis, and for the 2017-2018, 2018-2019 school years only, teachers may, at their own discretion, accept compensatory time off in lieu of payment for services rendered as a substitute under Article XXIII. Compensatory time may be used in lieu of any category of sick leave. For each substitute assignment, the compensatory time would be a reverse calculation of the daily rate for that individual. For example, if a 3rd grade teacher takes 1/3 of a classroom for a day, he/she would be compensated 1/3 of a compensatory day. If the teacher took 1/4 of the class for the day, then he/she would be compensated 1/4 of a compensatory day. A departmentalized teacher would earn compensatory time at a rate of 1/6 of a day for each period subbed. Use of

compensatory time shall be subject to prior approval by the site administrator. If unit members' compensatory days are not used by the end of the school year, each compensatory day, or fraction thereof, shall be purchased from the unit member at the daily substitute teacher rate.

- 23.2.3 Summer and Saturday School - \$25/hour;
- 23.2.4 Sixth Grade Camp - \$650/session;
- 23.2.5 Any unit member required by the District or official of the District, to attend workshops or meetings which are beyond the regular school day and/or school year shall be compensated at the rate of \$25.00 per hour. Regular faculty meetings are exempt from this clause. (See Article XV.)

Instructional Team Leaders will be filled by regular contractual procedure for posting and filing certificated stipends positions. The Instructional Team Leader will earn an annual stipend of \$650, earning \$65 per month for 10 months or pro-rated if worked less than 10 months. Payment will be made by June 30.
